Boeing Employees - DOUBLE your impact to the Mukilteo Boys and Girls Club with a Boeing Company GIFT MATCH!

Through The Boeing Company Gift Match program, The Boeing Company recognizes the importance of your personal contributions to organizations that matter to you. This generous program will match your financial donations and volunteer hours - up to $6,000 per year - to the Mukilteo Boys and Girls Club!

- All active employees of The Boeing Company on the date the gift was made and registered, and all Retirees (matched at 50% up to $3,000 USD) who retired directly from The Boeing Company are eligible.
- Gifts must be tax-deductible, charitable contributions of $25 USD or more.
- Gifts must be current contributions made directly by the Boeing donor to the Mukilteo Boys and Girls Club from the Boeing donor’s own assets. Gifts must be made, not merely pledged.
