In preparation for the 48th annual Luau Auction on September 30, 2017, the Everett LOWE’S HERO’S came to the Mukilteo Boy’s and Girl’s Club full force on August 8th, 2017! Jim Corbett, from Old Town Mukilteo, grew up going to the Mukilteo Boys and Girls Club. He is now the Everett Lowe’s Store Manager. He organized for the Everett LOWE’S HERO’S (approximately 20 were there!) to show up in full force to clean-up the grounds at the Old Town Club, to get it looking good for the upcoming Auction Luau. He arranged for the following donations: One pallet of bark mulch from Wilpaca. One pallet of dirt / compost from Cedars Grove. Paint and other items from other donors. They painted the front doors, window trim, railings, and the deck. They also fixed the gate and broken cement on the porch. They didn’t stop there. They also removed dead trees and shrubs, and then planted many new items in their place. The landscaping looks great! To feed the Hero’s, Deli Sandwiches were provided by Steve Berry owner of the Jersey Mike’s on the Mukilteo Speedway, snacks and cold drinks were provided by Clare Van Hollebeke, and Jim Corbett provided pizza. It was a huge Team Success as can be seen by the photos. The Club is ready, bring on the bids!

Thank you Jim and all the Everett LOWE’S HERO’S Volunteers!
