Unless there is a current court issued restraining order on file at the Club, both parents may pick up the child, regardless of the custody agreement. Disagreements between parents must be addressed off site. Please make sure that you have clearly established expectations between parents.

We do honor restraining orders and protection orders if provided to us and will enlist help from law enforcement if needed.

**NOTICE:** This form may be used to exempt a child from the requirement of vaccination when a health care practitioner has determined specific vaccination is not advisable for the child for medical reasons. This form must be completed by a health care practitioner and signed by the parent/guardian. An exempted child/student may be excluded from school or child care during an outbreak of the disease they have not been fully vaccinated against. Vaccine preventable diseases still exist, and can spread quickly in school and child care settings.

### **Medical Exemption**

A health care practitioner may grant a medical exemption to a vaccine required by rule of the Washington State Board of Health only if in their judgment, the vaccine is not advisable for the child. When it is determined that this particular vaccine is no longer contraindicated, the child will be required to have the vaccine (RCW 28A.210.090). Providers can find guidance on medical exemptions by reviewing Advisory Committee on Immunization Practices (ACIP) recommendations via the Centers for Disease Control and Prevention publication, "Guide to Vaccine Contraindications and Precautions," or the manufacturer's package insert. The ACIP guide can be found at: www.cdc.gov/vaccines/hcp/acip-recs/general-recs/contraindications.html.

## **Behavior Management Policy & Agreement**

The Boys & Girls Club recognizes and respects children as people with unique feelings, values, and needs. We believe that positive reinforcement and behavior modification through consequences are effective methods of interaction, particularly when dealing with behavior problems.

Please *initial* on the lines below to show that you have read and understand the following policies and procedures. In addition, please *talk through* our behavior policy with your child.

### The 3-R Rules

Children are **EXPECTED** to:

**Respect the Staff** (including volunteers) e.g. refraining from "talking back" to staff **Respect yourself and others:** e.g. refraining from putting yourself down, or from hurting someone else's feelings **Respect the Club:** e.g. refraining from the destruction or stealing of club property

The following steps will be taken in the event of inappropriate behavior:

\_\_\_\_1. A **Conversation** between the child and staff member to identify the problem and determine a possible solution At this point, children are given a chance to explain what happened and to make a choice about what they should do next.

\_\_\_\_\_2. **Removal/Loss of Privilege** from the activity ("chill time"). This allows the child to gain control of a difficult situation, think of alternate & positive ways of handling the situation, and/or writing or drawing a letter of apology. When a child is asked to be in "chill time" it is recorded in the chill time log. If a child is logged in *three times in one day*, a discipline report will be issued.

\_\_\_\_\_3. When steps 1 and 2 have failed, or when a *dangerous* rule is broken, an **Incident Report** will be issued to the parents explaining what happened. All documentation will be filed and kept confidential. Club service projects (e.g. taking out recycling, organizing, cleaning) may also be given as a consequence. The accumulation of *three discipline reports* in *one month* can result in a *short-term suspension* (up to one week) and/or a parent/guardian conference.

\_\_\_\_\_4. A **Parent/Guardian Conference** will occur when repeated behavior problems occur and/or when a behavior is dangerous to the child and/or other children. Parent(s)/guardian(s), the child, and staff will discuss the behavior and possible solutions. Future consequences for continued behavior and future rewards for improved behavior will be proposed, agreed upon, and documented at this time.

\_\_\_\_\_5. Suspension/Dismissal: If the agreement is not upheld, or if a child receives *three discipline reports* in one month, another meeting will be held with the child, staff, and parents. At this time, a short term (up to 1 week) or longer term suspension will be required and a discussion as to whether this is the right program for the child will occur. If the suspension is not effective, the child will be dismissed from the program. **Refunds will not be given for suspensions or dismissals.** 

\_\_\_\_\_6. \*\*\*Dangerous/Violent Behavior: if your child behaves in a way that puts him/herself, staff, or other children in danger (violent behavior, threats toward or striking staff, or running away from the Club or site) guardians will be called to *pick up their child immediately* regardless of previous behavior. Such behavior may warrant immediate suspension. If you or someone you designate cannot pick up your child immediately in such situations, we will not allow their continued participation in our program. If a parent cannot be reached, then for the safety of children and staff we may need to call the police as our staff are not allowed to restrain children. Guardians of the child will be required to pay all fees/damages incurred. After an incident, staff will then meet to determine if the child can return to the club.

I, \_\_\_\_\_\_\_, and my child have read, initialed, and agreed to follow all policies and procedures listed in the Behavior Management Policy of the Boys & Girls Clubs of Snohomish County. I have directed all questions about these policies to the Club.
