Instructions for completing the Certificate of Immunization Status (CIS): Print the form from the Immunization Information System (IIS) or fill it in by hand.

To print with the immunization information filled in:

Ask if your health care provider's office enters immunizations into the WA Immunization Information System (Washington's statewide registry). If they do, ask them to print the CIS from the IIS and your child's immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at <https://wa.myir.net>. If your provider doesn't use the IIS, email or call the Department of Health to get a copy of your child's CIS: waisrecords@doh.wa.gov or 1-866-397-0337.

To fill out the form by hand:

1. Print your child's name and birthdate, and sign your name where indicated on page one.
2. Write the date of each vaccine dose received in the date columns (as MM/DD/YY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guides below to record each vaccine correctly. For example, record Pediarix under Diphtheria, Tetanus, Pertussis as DTaP, Hepatitis B as Hep B, and Polio as IPV.
3. If your child had chickenpox (varicella) disease and not the vaccine, a health care provider must verify chickenpox disease to meet school requirements.
 - ☐ If your health care provider can verify that your child had chickenpox, ask your provider to check the box in the Documentation of Disease Immunity section and sign the form.
 - ☐ If school staff access the IIS and see verification that your child had chickenpox, they will check the box under Varicella in the vaccines section.
4. If your child can show positive immunity by blood test (titer), have your health care provider check the boxes for the appropriate disease in the Documentation of Disease Immunity section, and sign and date the form. You must provide lab reports with this CIS.
5. Provide proof of medically verified records, following the guidelines below.

Acceptable Medical Records

All vaccination records must be medically verified. Examples include:

- A Certificate of Immunization Status (CIS) form printed with the vaccination dates from the Washington State Immunization Information System (IIS), MyIR, or another state's IIS.
- A completed hardcopy CIS with a health care provider validation signature.
- A completed hardcopy CIS with attached vaccination records printed from a health care provider's electronic health record with a health care provider signature or stamp. The school administrator, nurse, or designee must verify the dates on the CIS have been accurately transcribed and provide a signature on the form.

Conditional Status

Children can enter and stay in school or child care in conditional status if they are catching up on required vaccines for school or child care entry. (Vaccine series doses are spread out among minimum intervals, so some children may have to wait a period of time before finishing their vaccinations. This means they may enter school while waiting for their next required vaccine dose). To enter school or child care in conditional status, a child must have all the vaccine doses they are eligible to receive before starting school or child care.

Students in conditional status may remain in school while waiting for the minimum valid date of the next vaccine dose plus another 30 days time to turn in documentation of vaccination. If a student is catching up on multiple vaccines, conditional status continues in a similar manner until all of the required vaccines are complete.

If the 30-day conditional period expires and documentation has not been given to the school or child care, then the student must be excluded from further attendance, per RCW 28A.210.120. Valid documentation includes evidence of immunity to the disease in question, medical records showing vaccination, or a completed certificate of exemption (COE) form.

Certificate of Exemption—Personal/Religious

For School, Child Care, and Preschool Immunization Requirements

Child's Last Name: First Name: Middle Initial: Birthdate (MM/DD/YYYY):

NOTICE: A parent or guardian may exempt their child from the vaccinations listed below by submitting this completed form to the child's school and/or child care. An exempted child/student may be excluded from school or child care settings and activities during an outbreak of the disease that they have not been fully vaccinated against. Vaccine-preventable diseases still exist, and can spread quickly in school and child care settings. Immunization is one of the best ways to protect people from getting and spreading diseases that may result in serious illness, disability, or death.

Personal/Philosophical or Religious Exemption

I am exempting my child from the requirement my child be vaccinated against the following disease(s) to attend school or child care. (Select an exemption type and the vaccinations you wish to exempt your child from):

Respect the Staff (including volunteers) e.g. refraining from “talking back” to staff

Respect yourself and others: e.g. refraining from putting yourself down, or from hurting someone else’s feelings

Respect the Club: e.g. refraining from the destruction or stealing of club property

The following steps will be taken in the event of inappropriate behavior:

___ 1. A **Conversation** between the child and staff member to identify the problem and determine a possible solution
At this point, children are given a chance to explain what happened and to make a choice about what they should do next.

___ 2. **Removal/Loss of Privilege** from the activity (“chill time”). This allows the child to gain control of a difficult situation, think of alternate & positive ways of handling the situation, and/or writing or drawing a letter of apology. When a child is asked to be in “chill time” it is recorded in the chill time log. If a child is logged in *three times in one day*, a discipline report will be issued.

___ 3. When steps 1 and 2 have failed, or when a *dangerous* rule is broken, an **Incident Report** will be issued to the parents explaining what happened. All documentation will be filed and kept confidential. Club service projects (e.g. taking out recycling, organizing, cleaning) may also be given as a consequence. The accumulation of *three discipline reports in one month* can result in a *short-term suspension* (up to one week) and/or a parent/guardian conference.

___ 4. A **Parent/Guardian Conference** will occur when repeated behavior problems occur and/or when a behavior is dangerous to the child and/or other children. Parent(s)/guardian(s), the child, and staff will discuss the behavior and possible solutions. Future consequences for continued behavior and future rewards for improved behavior will be proposed, agreed upon, and documented at this time.

___ 5. **Suspension/Dismissal:** If the agreement is not upheld, or if a child receives *three discipline reports* in one month, another meeting will be held with the child, staff, and parents. At this time, a short term (up to 1 week) or longer term suspension will be required and a discussion as to whether this is the right program for the child will occur. If the suspension is not effective, the child will be dismissed from the program. **Refunds will not be given for suspensions or dismissals.**

___ 6. *****Dangerous/Violent Behavior:** if your child behaves in a way that puts him/herself, staff, or other children in danger (violent behavior, threats toward or striking staff, or running away from the Club or site) guardians will be called to ***pick up their child immediately*** regardless of previous behavior. Such behavior may warrant immediate suspension. If you or someone you designate cannot pick up your child immediately in such situations, we will not allow their continued participation in our program. If a parent cannot be reached, then for the safety of children and staff we may need to call the police as our staff are not allowed to restrain children. Guardians of the child will be required to pay all fees/damages incurred. After an incident, staff will then meet to determine if the child can return to the club.

I, _____, and my child have read, initialed, and agreed to follow all policies and procedures listed in the Behavior Management Policy of the Boys & Girls Clubs of Snohomish County. I have directed all questions about these policies to the Club.
